

Mission:

The Aviation Expo will strive to be a premier community event, held in conjunction with the Festival of Flowers that not only benefits the community but is family oriented, and promotes the Greenwood County Airport, the Experimental Aircraft Association, Chapter 1023, and aviation in Greenwood and throughout the State of South Carolina

Logistics:

2013 Aviation Expo, with the help of our Sponsors and the community, intends to be bigger and better. Starting with an opening ceremony, the Expo has added an AIR SHOW, more airplane and helicopter rides, an awards ceremony, and skydivers - all for the whole family to enjoy.

In 2012 The Aviation Expo was attended by over 2000 spectators.

84 planes flew in from SC, NC, and Ga.

Local Car Clubs displayed more than 34 automobiles, from vintage to hot rods.

50 Remote Controlled Pilots from all over the state demonstrated their skills.

Greenwood County Volunteer Fire Departments and Greenwood County Sheriff's Department were represented.

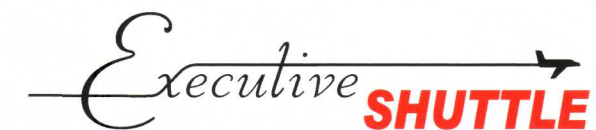

Carolina's Fox News, Joe Gagnon filmed his morning Segment around the Aviation Expo.

New Channel 4 brought their helicopter.

Life Flight helicopter was on display.
